Undergraduate Program

The **International Science Summer School** accepts a select number of outstanding *undergraduate* students each summer to participate in research projects in mathematics, physics, chemistry and the life sciences

Online application: Nov 1, 2015 - Jan 15, 2016

Official results of the application:
March 15, 2016

Start of the program: June 2016

Duration of the program: 8 weeks

Kupcinet-Getz International Summer School

This is an enrichment program designed for undergraduate students from all over the world who are majoring in the sciences, and it is an opportunity to experience science by becoming part of a research group at the Weizmann Institute. Participation in the Kupcinet-Getz International Science School has had a significant impact on past participants of the program, reinforcing the students' interest in conducting research in their future careers.

As a student in this program, you will be associated with a laboratory or a theoretical research project under the supervision of an experienced scientist and, for a short period of time, will become a full-fledged member of the scientific team.

Stipends: **NIS 500** per week (up to **NIS 4,000** in total).

Accommodations: eight weeks of free rooming.

There are NO application, registration, visa or tuition fees.

Airfare or any other travel costs are not covered by the program. You are responsible for your own travel arrangements.
